

No Wool Left Behind

Design by Johanna Lindahl / Mijo Crochet

This pattern is for personal use only.

When I made this blanket I used small amounts of Sheepjes Colour Crafter that was left over when making other projects. The pattern is simple and is made of half double crochets worked in a spiral. You crochet until the blanket has the size you want or until you simply run out of yarn.

Materials:

Hook: 7 mm.

Markers: 8 pcs.

Yarn:

Scheepjes Colour Crafter 100% Premium Acrylic 100g.

You need approx. 500 grams (5 skeins) to make a blanket that is 85 cm in diameter.

Colors:

I used several different colors that had been left over from other projects and let them blend successively. You do this by crocheting with three strands at the same time and then changing one color/strand at a time. Start with the colors you have a small amount of since the innermost rows are much shorter than the outer ones.

If you want a single colored or heathered blanket, use the same colors throughout the pattern.

Tips:

- This pattern is worked in a spiral.
- Stitches between () are repeated as many times as indicated after the parenthesis.
- Stitches between | | shows how many stitches you should have after completing the row.

Abbreviations, US terms:

St - stitch

Ch - chain

Ss – slip stitch

|32 hdc|

Following rows:

2hdc in next st, move the marker to the first of these two hdc.

You will now crochet the rest of this blanket by increasing with one hdc **in front of** each marker as follows:

(1hdc in each st until next marker, move the marker to the last made hdc, 1hdc in the same st) repeat until the blanket has the size you like.

All following rows increases with 8 hdc/row.

When the blanket has the size you like you continue with the border.

The border:

Remove all markers.

1sc in next 4 st.

Ss in the first picot. Cut yarn and fasten ends.
